4. County Committee Membership. Two members of the County Committee from each Election District used plus one (1) additional member if 200 or more votes and less than 201 votes were cast (or voters enrolled) in such Election District of Governor under the party emblem at the last preceding

gubernatorial election; and total of two (2) additional members (thereby making a maximum of four (4) members) if 401 votes or more were cast in such Election District at said time. If the boundaries of such Election District have been changed or a new Election District has been created since the last preceding gubernatorial election, then the above formula shall apply based on the votes cast for Member of Assembly under the Party emblem. Therefore, there shall be no less than two nor more than four members from each Election District as provided in Section 2-104 of the Election Law and Article 2 Section 2-1.2 of the Rules and Regulations of the Democratic Party of the county of the Bronx.
