2025 PARTY CALL
FOR THE CONSERVATIVE PARTY of NYS

Two members from each election district within the county, except as follows. If 150 or more, but not more than 299 Conservative Party votes were cast for governor in any election district in the last preceding gubernatorial election, then three county committee members shall be elected from that election district. If the boundaries of any election district have been changed or a new election district has been created since the last preceding gubernatorial election, then three county committee members shall be elected from any such election district if there has been an assembly election in that election district since the last preceding gubernatorial election and 150 or more but not more than 299 Conservative Party votes were cast for member of the assembly therein, or if no such assembly election was held and the Conservative party enrollment in that election district is 150 or more but not more than 299. If the boundaries of any election district have been changed or a new election district has been created since the last preceding gubernatorial election, then four county committee members shall be elected from any such election district if there has been an assembly election in that election district since the last preceding gubernatorial election and more than 300 Conservative Party votes were cast for member of assembly therein, or if no such assembly election was held and the Conservative Party enrollment in that election district is more than 300. Any duly constituted county committee may adopt rules inconsistent with the provision of this section, which rules shall thereupon supersede the provision of this section with regard to such duly constituted county committee.
