## PARTY CALL FOR THE CONSERVATIVE PARTY

Two members from each election district within the county, except as follows. If 150 or more, but not more than 299 Conservative Party votes were cast for governor in any election district in the last preceding gubernatorial election, then three county committee members shall be elected from that election district. If 300 or more Conservative Party votes were cast for governor in any election district in the last preceding gubernatorial election then four county committee members shall be elected from that election district. If the boundaries of any election district have been changed or a new election district has been created since the last preceding gubernatorial election, then three county committee members shall be elected from any such election district if there has been an assembly election in that election district since the last preceding gubernatorial election and 150 or more but not more than 299 Conservative Party votes were cast for member of the assembly therein, or if no such assembly election was held and the Conservative party enrollment in that election district is 150 or more but not more than 299. If the boundaries of any election district have been changed or a new election district has been created since the last preceding gubernatorial election, then four county committee members shall be elected from any such election district if there has been an assembly election in that election district since the last preceding gubernatorial election and more than 300 Conservative Party votes were cast for member of assembly therein, or if no such assembly election was held and the Conservative Party enrollment in that election district is more than 300. One delegate and one alternate delegate from each assembly district in the 3rd, 4th, 5th, 6th, 7th and 8th Judicial Districts for each two thousand (2000) votes or major fraction thereof cast in such assembly district for the Party candidate for governor under the Party emblem in the last preceding gubernatorial election.

In no event, however, shall any assembly district be entitled to less than one delegate and one alternate delegate. If, by any reason of a change in the boundaries of assembly districts be after an election of governor, the exact vote at such election in the territory constituting an altered district is not ascertainable, such vote for the purposes of this section shall be estimated.

Pursuant to the foregoing the number of delegates and alternate delegates from each assembly district in such county are as follows:
